

# Thermal Auricular Therapy HOPI EAR CANDLING

£130 + vat

QUALIFIED

1 DAY

10am – 5pm

7

## Course brief

Thermal Auricular Therapy is a pleasant and non-invasive treatment of the ears, a natural ear cleansing technique that is a simple and safe method of removing excess wax, infections and residuals of past ear infections. The ear candle induces a revitalising heat upon the head and ears which soothes and relaxes.

This course demonstrates the use of the Hopi ear candle which has many benefits some of which are excessive/compacted ear wax, Vertigo, Tinnitus, Headache, Migraine, Labyrinthitis, Hay Fever/Rhinitis, Sinusitis & many more.

Students will learn the history of the Hopi treatment along with contra-indications and how to diagnose the candle results accurately.

## Skill level

This course is available to qualified therapists who hold a certificate in Anatomy and Physiology.
